

Dear Readers of the Morsels,

I am so grateful to Kathy Barnes for her help in sending the following corrections to the last edition. Would you please note these. I am deeply sorry that in spite of spending considerable time in proof reading, these escaped my attention. I hope they haven't spoiled your reading of these vital Biblical truths. As time goes on I would like to put the Morsels in book form for each year in order to make it more accessible for the average reader.

May the Lord graciously help us all to grow in faith and in His Word to His glory,
Bryce Winter
