

THE BATTLE

Day and night, The Battle rages.
Flesh 'gainst Spirit. War it wages.

Fight On, Fight On! The battle cry.
Flesh it can, but soul can't die!

Night and Day, The Battles ensue
The only way, Old Man 'gainst new.

Fight On, Fight On! The flesh deride,
The War is won, with Christ allied!

Day and Night, the battles remain.
Soul to lose, Heaven to gain.

Fight On, Fight On! The Victory Cry.
It is for me, that Christ did die!
